

MEMORANDUM

THE WHITE HOUSE

WASHINGTON

ON-FILE NSC RELEASE
INSTRUCTIONS APPLY

SECRET

June 1, 1970

TO: Al Haig

1. Called Walters per our discussion. He will wait for your call to make his travel plans. His schedule this week is:

Brussels, 3-4 June

On the 4th in the morning - at NATO, Amb. Ellsworth.
On the 4th in the afternoon - at SHAPE

5 June - Return Paris

6 June - Normandy - Normandy landing commemoration ceremonies.

7 June. I told him that travel would not be necessary before 7 June.

2. Re the CIA analysis of Cambodia operations. David advised that HAK said to have the CIA analysis updated weekly - this is being done. David also said that HAK wanted distribution restricted to the White House. I have not called Helms on this recalling that you had said that you had talked with Karanessines on this and asked him to restrict distribution earlier. It still is being distributed to some extent in the bureaucracy which HAK does not want.
